Product Description

Ideal for applying the popular PVC & Composite trim boards such as Azek™, Mira-Tec®, R.H. Tamlyn & Sons®, etc. These manufacturers recommend and specify hot-dipped galvanized or stainless steel fasteners. These slender blunt pointed nails are made from high tensile stainless steel to minimize bending and reduce the splitting of the material. Painted white. Painted 8252 White.

Disclaimer: This image represents an entire series of nails, so the length may not be the exact match to the nail in this spec sheet

100% MADE IN THE USA
