Product Description

High-quality painted trim nails for use with trim coil, soffit, and fascia. Available painted in many different colors - pre-matched to coil manufacturer's colors. These nails have a striated head - Specially designed to hold paint more effectively than a flat head. Hammercaps are recommended for driving painted nails to avoid chipping.

Disclaimer: This image represents an entire series of nails, so the length may not be the exact match to the nail in this spec sheet

100% MADE IN THE USA
