<b>COATING</b>	Double Hot-Dip Galvanized
<b>APPROX. NAILS PER LB</b>	106.0

#### Product Description

Great for blind nail applications - especially sidings which are wider than 8-1/4". The STORMGUARD® Double Hot-Dipped coating ensures great rust protection - unlike "eg" (electro-galvanized) nails which are sometimes used. Don't take chances - insist on Maze quality blind nails.

Disclaimer: This image represents an entire series of nails, so the length may not be the exact match to the nail in this spec sheet
